The Premises:

Well presented and established parlour, on street parking discrete entrance. Friendly welcome, rooms clean and well appointed. Shower and fresh towels await!

The Lady:

English girl, age of late 20's seems fair, slightly bigger than her photos show but great curvy figure and big boobs

The Story:

Sophie entered the room and was straight in to french kissing, profile said discretionary but clearly she had decided from the off. Lifted up her top to reveal her fantastic boobs, she squatted down and took me in her mouth, great oral skills and she moved me to the bed for more. Swapped round and returned the favour which resulted in a nice wet orgasm for Sophie. On with the cover with me on top then she uttered the immortal words let me suck you some more and come in my mouth or a facial. I wanked myself whilst she licked my balls then finished in her mouth which was amazing. Despite her lovely nature she did this massive spit on to the towel which made me laugh. A lovely engaging girl who makes you feel special. We chatted briefly then on the way out she said "thanks for the orgasm" you're welcome I replied, you see manners cost nothing!
