The Premises:

One bedroom flat about 5 minutes walk from Paddington tube station. The place was clean, the bedroom was a reasonable size, with a comfortable double bedroom. Bathroom had a large walk-in shower (you could fit 3 people in the shower), with decent water pressure and plenty of hot water.

Note, the buzzer to her place is broken so I had to call the agency to inform them that I arrived and to be let in.

The Lady:

I think the current photos of Holly on the website are about 3 years old (when Holly was first in the UK) and new photos are to be published soon. However, that being said Holly is a good looking, slim, Thai lady (I would say in her mid 20s) with nice large enhanced breasts and she does look like her pictures on the website.

The Story:

Holly provides a great GFE experience and is very affectionate with lots of deep French kissing. Holly's oral technique is good, with lots of nice, slow and gentle ball licking and deep throat, and she maintains sexy eye contact. Holly has a clean fresh pussy which is a delight to lick and we enjoyed sex in various positions i.e., cow girl, mish and doggie.

Holly's English is good enough to have a decent conversation and she has a nice, sweet, friendly personality. Holly comes highly recommended and I look forward to seeing again soon.
