The Premises:

Easy to find location. A bit of a walk from Edgware Road station. I'm not too keen on these call us when you get to the road or junction types of agencies to be fair. I understand why, but they just sound dodgy to me. Nice spacious flat, clean and tidy. Shower etc. was nice. Comfortable and relaxing environment

The Lady:

Olive is in her early 20s for sure, and she has a cracking body. Slim and so tiny! She is naturally beautiful, with a few small tattoos here and there. Lovely face, much better than the pictures online. She speaks excellent English and is quite confident in speaking it. Friendly and attentive.

The Story:

It was pretty much straight into the action. Great DFK with this girl. Naked she looks incredible. Perky tits and a lovely firm ass. Her OWO skills are remarkable for sure, and she really does go for the DT experience too, although she couldn't do it with my old chap. The effort was admirable however. I had to pull out in order to actually have sex with this girl. I wanted to experience all I could, and didn't have time to stay for the whole duration, so seconds was out really. She rode me in CG and RCG and she was spectacular to say the least. We went a while in missionary, before I simply had to pull off the condom and jerk off into her mouth, which she greedily took.

Lovely chat and caressing at the end before I left.
