The Lady:

Helen is a beautiful flame haired porcelain skin mid twenties woman with the most gorgeous natural breasts that you are likely to see. She has a shaved pussy and a really nice smile. Her softly spoken voice is very sexy and she speaks perfect English. Has a good sense of humour.

The Story:

I rang the bell and was greeted at the door by Helen herself who asked if I was there to see her. I answered yes and she asked me if I would like a shower and I answered yes. After scrubbing up, I entered the bedroom and waited for Helen, who arrived very quickly. After giving her the money, she lay on the bed and asked me what I would like. I said OWO, 69 and sex and she said that was fine. I also said that I liked my nipples being pinched and she did that to me while kissing me. She then went a little bit lower and before long had my cock in her mouth for some lovely OWO. I requested that she get in between my legs and pinch my nipples while sucking me, which she did. Her OWO technique is really good and it wasn't too long before I was hard. We then had a nice 69 before I went on top in the missionary position. Plenty of eye contact and smiles from Helen and the sex was nice and slow. I could feel myself close to coming and had to restrain myself a few times. Helen then went on top and it was a joy to see those amazing breasts bouncing in front of me and I kissed them a few times while she rode me. I then went back on top in the hope of finishing but in the end I couldn't come. In no way was this Helen's fault. Probably down to my age! As time was running out, I got changed and had a nice chat with Helen. I left the room with her and she said goodbye at the door and as I headed out to the tube station it started to rain but that couldn't take the smile off my face.

This was the third time that I have seen Helen over the years and it won't be the last. I told her that she was beautiful and I genuinely meant it. A really great half an hour and I look forward to seeing her again soon in the future.

Recommended? Hell, yes!
