### The Premises:

Well known establishment near Victoria

### The Lady:

Alya is Romanian babe. She has amazing enhanced tits and a well toned body. She has long blonde hair, manicured nails, tasteful make-up and a playful personality.

### The Story:

After some teasing and very pleasant light French kissing, she gave a rigorous massage as requested. She has long fingernails and pressed every button as asked, tormenting my nipples and balls before providing a deep covered blow job. She rode me hard - with a magnificent view of her tits - and then I fucked her doggy style until she squeezed the juice out of my balls. Very hot.
