The Premises:

A nice place, not far from Earls Court station. Sadly the buzzer to let me in wasn't working on that day and Brea had to come down to let me in. But it was fun seeing her through the window coming down the stairs to open the door. Nice apartment, cosy and small, but nice.

The Lady:

Brea is certainly the girl in the pictures, but she is much better in person. Fantastic body, with some of the best tits I've seen in a long time. Big and perky! She is softly spoken, sweet and very attentive. Speaks pretty good English, and she is a joy to be around. Hair is shorter than in pictures.

The Story:

Excellent experience with Brea. She welcomed me at the door and walked me up the stairs to her apartment. It was nice following her, kind of like that first walk to your new girlfriend's bedroom! Once inside she was very affectionate with her kissing and hugging. After shower she stood before me and stripped off her little black skirt and pink top. She had no panties on, showing her nicely shaved pussy. She had a body stocking thing on that looked great. When she took off her bra to reveal those monster titties it was wonderful. She looks wonderful, and truly natural.

Brea likes to talk a little naughty and complimented me on my cock as she dropped to her knees and sucked on it. It was a real turn on watching her and listening to her noises and comments. Onto the bed and onto some more OWO. Her technique is very good. Then onto some cowgirl, and I have to say that those boobs in my face was the highlight of this booking. I'd have paid for that alone, but she loved being fucked like this and really got into it. In the end I turned her over and we went at it in spooning position until I came hard inside. It felt amazing.

she loves to be treated gently and really responds well. Close to the end she lost track of time and started to play with my cock again and soon made me hard. Sadly we didn't have time to finish what we started. I think I'll return real soon.
