The Premises:

Usual premises in Fenny Stratford east to find with plenty of parking. Good shower facilities and place is clean.

The Lady:

Kris is a very sexy pocket rocket with a lover hourglass figure with sexy curves in the right place. A lady who is as gorgeous in real life as her photos.

The Story:

Kris entered the room with a gorgeous smile on her face and greeted me with a hug and kiss. Once paperwork was completed she sat on my lap kissing with passion and enjoyment and plenty of energy.

She loves to explore your body to loves to tease every inch of you and her oral skills are second to none with a great technique.

Kris is very energetic in everything she does and sex in various positions was amazing too and we both came together before collapsing in each other's arms.

Kris does not rush and chats to with her sexy accent and is highly recommended and will be back soon.
