### The Premises:

The establishment in a discreet location where there's a free car park just outside, it feels a bit like your being watched as your waiting in the car park( probably just my paranoia). The room was very clean with a massage table covered in large paper towels for hygiene, the shower is in the room with a bit of a roulette of cold and hot, definitely push the shower when you first get in the room the when your ready to get in push it again then it should be warm.

### The Lady:

Angelica is a very stunning lady in her thirty's long blond and a body to die for. She has a sexy voice which I think was a Czech accent. She made me feel right at home as she is very calm but naughty with a cheeky smile.

### The Story:

I arrived on time and got escorted to the room where I was offered a drink ( nothing strong lol) I was given a towel and stripped off to have a shower, as I finished in the shower and was drying myself in walks the very sexy Angelic in a sexy little number. She greeted me with a hug and kiss and asked my to lie down on you front. She then started pouring oil on me and started massaging my legs and bum with a few genital strokes in between my legs to my balls which was very welcome, she then worked her way up to my back a shoulder's then oiled her body and started gliding over my body rubbing her breast and well shaven garden over it. I then was asked to turn over where my not so little man was standing to attention which I'm pretty sure impressed her. The oil was pouring and she was sliding over me I was rubbing oil over her body and her ass felt amazing I was even rubbing oil over her breast which she seemed to enjoy as her nipples were erect. I asked if I could give them a lick and with that sexy voice she replied yes. It was time for the big finally and oh was it good. Next time i will definitely be visiting Angelica for a hour or more as 30min was definitely not enough. She is sweet, sexy and if I could make love to her I think we would of both had an amazing time. See you soon Angelica.
