The Lady:

Beautiful, slim body with double DDs. Enhanced boobs but they look and feel great. She's probably a size 6 or even slimmer. Another Olina girl that could have been be a porn star.

The Story:

Very nice GFE. Not raunchy but that was my choice as she is so nice and gorgeous.

Lovely kisser, great eye contact. Her shaven pussy was very, very smooth and I couldn't resist making her cum first with my tongue. It was beautiful to see her close her eyes whilst holding my hands as I licked her beautiful pussy until her tummy touched multiple times and she came on my tongue.

She needed a few minutes to recover and her clit was too sensitive for any more licking for a while.

After she recovered, she gave me one of the best blowjobs I've ever had. Sucking away like a vacuum cleaner but flicking her tongue on the most sensitive parts all the time. I could feel the buildup of spunk until it was my turn for my tummy to start to twitching!

Beautiful girl, intelligent, good English. Really nice punt. Holly, I hope to see you in Bangkok sometime!
