The Lady:

Wow is the only way to describe Lexi...

So beautiful, so feminine and so much prettier in the flesh x x. She is gorgeous.

The Story:

I have enjoyed many visits to many establishments and independent escorts over the last 30 years, but by far Lexi is the best hour I have ever experienced.

She is warm, beautiful and we had great chemistry. Her body, for my taste, is perfection.

With Lexi it is genuine, no faking...

We got on so well that she even tried a new kink to her - which was amazing and so incredibly horny.

She is certainly one in a million. A lovely lady who gave me the most intensely sexually-charged hour of my life...

I am so looking forward to seeing her again soon - and as often as I can.

She is special - treat her like a lady or a princess, she deserves nothing less.

Thank you again Lexi - stay sexy x x
