The Premises:

Luxurious apartment near Liverpool Pierhead. I went by train (James Street Station is just a few minutes' walk away) but there are parking facilities near the pierhead - ask Kay when you ring or text, she is sure to know the most suitable locations.

The Lady:

Kay is a lovely lady in every sense of the word. She is welcoming, affectionate, playful and (VERY) naughty! She's British with a slim build and I'd guess about 5' 2" or 3". She is also far too honest about her age on AW - she looks and could easily pass for a lot younger.

The Story:

I paid for 30 minutes and our sexy session was about that, but she didn't seem pressed for time so we spent quite a long time chatting beforehand. Kay is very easy to talk to and by the time I left I felt like an old friend. I had seen her once before, at Tiffany's in Liverpool, but although that was many years ago she was just the same both in looks and in personality.

I'm no longer the stud I once was (wasn't much of a stud then either) but Kay was very understanding and eager to please. My pleasure these days is more in terms of seeing and feeling rather than fucking, and she adopted all positions and did everything I suggested very willingly. The sight of her standing over my face with stockings and no knickers will bring a dirty smile to my face for many years to come.

If you visit then please treat her well, she deserves nothing less.
