The Premises:

Malee's flat is a ten minute walk from Edgware Road tube, on the first floor of a ex- council block. It is a nice spacious place, shared with another working girl, but large enough to be comfortably discrete. A nice bathroom, with a bath/shower large enough to share.

The Lady:

Malee is a slim petite Thai girl around 20 yrs old, and looks even younger. She is really pretty, with a small-breasted but perfect figure, with lovely naturally tanned skin colour. Her photos on the website look great, and she is every bit as good in the flesh.

The Story:

I was greeted by this gorgeous young woman with a lovely smile, and light kissing, then into the bathroom for a shared shower. This involved mutual soaping and caressing before drying off and returning to the bedroom.

Once in the bedroom we indulged in all the usual pleasures of mutual oral, 69, rimming, and of course sex. To experience the sight of this gorgeous young woman mounting me in cowgirl style was a real joy. We then completed with a vigorous missionary position.

I will soon be making a return visit!
