The Lady:

Danni walked in naked, showing of her glorious tattoos and glorious body.

She has a piercing near her clit which was fun to flick with my tongue.

The Story:

Lovely girl with a great attitude. Very open-minded and up for anything.

Danni is a great kisser and she is happy to do DFK. She really goes for it when kissing and it feels passionate, with lots of moaning.

My old man wasn't performing out his best but she made it her mission to make me cum. We had a beautiful 69 where she pushed her clit onto my face whilst sloppily giving me a blowjob.

I wanted to see beautiful Danni cumming so I got her to lie on her back whilst I licked her pussy and flicked her piercing with my tongue. She made lots of appreciative noises and tried to roll away as it became too sensitive for her. But I wouldn't let her until she came noisily. She said that my slurping on her pussy had turned her on.

She then got to work on my cock, lots of lube. Then, she got her rabbit vibrator out and gave me a show of her fucking herself whilst I wanked myself - at one point with both legs vertical and the buzzing, flashing dildo in her cunt - total filth, gorgeous.

When I was about to cum, she repeatedly stuck her tongue into my mouth moaning and telling me that she wanted my cum.

Danni is lovely, hot, open and fun. She said I can film her next time, damn that sounds like a date. I

hope the £20 helped Danni xxx
