The Story:

Annabellas Jules

Having used Annabella's and many successful punts I decided to book Jules as she looks edible.

I arrived five minutes late due to parking issues and was guided to the room by a maid. I waited for 5 minutes, before Jules walked in. Physically she did not dissapoint 8.2/10, very fucking attractive, tight petite body in a way only a teenage girl could be.

She instructed me to take my clothes off and proceeded to give me OWO, with some decent effort. Once the soldier was at the ready I then did missionary where it all started going downhill as she tried to lock my hips and limit the depth I could reach.

We then did doggy and she quickly told me to slow down and not go to deep. We then switched into girl on top and she rode for a few minutes before reminding me that time was up in 7 minutes she then hopped off and gave me some more half assed suction and wanked off for the remainder of our time...I did not finish and awkwardly got dressed, exchanged paperwork and got out of there.

Sex with her was totally deadpan, she was unresponsive like a fish, very passive and unenthusiastic whilst she did not actively do anything rude it was incredibly dull and clinical. Her ONLY saving grace is that she is beautiful but lacks warmth and charm and clearly doing it for the money.

I would highly recommend seeing someone else so that you do not waste 70 quid to go home with

balls the colour of scotland's flag. If you have 70 quid in hand its better you donate it to a good cause, or any bloke you see sitting cross legged outside Paddy Power.
