The Story:

Warning: you may fall in love.

Sadly she only works once a week but

Louise is absolute delightful, incredibly charismatic. This is a woman that you'd kill to take out of the game and have as a girlfriend, or better yet put a ring on.

Conversation flowed seamlessly and the chemistry was electric.

The pictures on the site are accurate, she's tall has a gym toned body, very cute in the face and a smile and manner that would melt even the most rampant monger's heart.

After the initial 10 min chat, we got down to business where I took her in missionary with her legs straddled on my shoulders, energetic pounding Louise is responsive and her moans could tip you over the edge. I then switching to doggy but the sheets were slippery so it was hard to get good grip and traction to finish that way so I opted for oral (with) to finish off in the end which Louise is expert at.

In the end went over by 15 minutes so no clock watching,

10/10 loved every single minute with her, I would say that even an hour's booking isn't long enough with someone as delightful and vibrant. You will leave beaming with joy, with an afterglow that lasts for days. I love you Louise.
