**Phone:** 07716531571

### The Premises:

Private apartment 5 mins from Northampton town centre. Very discreet. Inside is very clean. Bedroom perfect for its function tidy and well layer out. Comfortable. Parking is available some free some 1 hour limits free.

### The Lady:

Absolutely perfect we'll for my tastes. About 5,6 taller in heels. Curvy but not fat. Absolutely fantastic tits about 36 e I asked. She is toned in the right areas. Long black hair. Gorgeous face with pouty lips but not overly done. Some tattoos but nothing over the top. Lovely soft skin. Brooke had that porn star look that you want to experience and boy does she deliver. Was wearing an all in one tight body suit lace with high heels and a black baseball cap. All my my request. The minute I saw her I was turned on. Pics are her but she's discreet for personal reasons.

### The Story:

I had seen Brooke before at a different location but this was a massive improvement place and her. She has trimmed down and just looks so edible now. In the time I was there she gave me an awesome blow job lots of spit and eye contact.

Returned the favour by eating her pussy she has a tattoo just above it but nicely done. She's fresh and I have to say I could have stayed there all day. I love her riding me cow girl goes deep and if your doing it right she will come plus you get to suck on those massive tits. This is where I popped my load. Brooke loves to have her tits kissed and sucked .

Now this lady is a gem to me. She's English good looking and friendly . Rate to find these days especially with all the Roms around.

I was in 2 minds as to write this as it's that old scenario do I want to share but she's not my wife or girlfriend so I'm not living in a fantasy land.

I'll always be back as I haven't found better. Try her and would be good to hear if your experience matched mine. I believe she works with a blonde girl but I didn't meet her and they offer a 2 girl. Plus I think they will be moving location soon somewhere nearby. She only advertises on Vivastreet hasn't got round to doing an AW profile as I was told.
