### The Premises:

HOD2 upstairs. The other room, ie the one without the steps.

### The Lady:

I gave in to peer pressure. Bunny has had lots of positive reviews and at the time of my visit she was the HOD twitter feed darling. At the last minute I thought of asking if Mixy was available instead. Thank goodness I stuck to my original choice.

### The Story:

Bunny bounced into the room in a red schoolgirl outfit. I asked her if she could do something about the windows and she knelt over the bed suggestively as she attended to this mundane task and I knew I was in for a good time.

She is very enigmatic looking with her gypsy looks and she would definitely turn my head if I saw her on civvy street.

The encounter began with some DFK. Bunny is an excellent kisser and I could have snogged her for the full 30 minutes minus the five minutes or so undertime that HOD deduct even though I detected a smell of cigarettes emanating from her.

Bunny enjoyed being licked out and lay her on her back while I ate her defenceless pussy. Oral was adequate and we fucked with her on top before I came on my own body with a bit of a helping hand from Bunny..

What stood for me from my visit is that Bunny is a tremendous kisser and she has a lovely, friendly personality and I would visit again.
