The Premises:

Deceptively large flat about 5 minutes walk from Edgware Road tube station (Edgware Road exit). The flat is clean, warm and the bathroom is clean & modern with a decent shower, with plenty of hot water. I have been to this flat before to see Olive (another girl from Olina's website).

The Lady:

The pictures of Malee on the website are accurate. Malee is a pretty, petite, slim young Thai lady in her early 20s. Her body is all "au naturel", with no tattoos!

The Story:

Malee greeted me in a nice, warm friendly manner. Once in her room and the paper work sorted out, Malee offered me a drink and asked if I would like to have a shared bath with her, which I accepted. So we shared a nice, relaxing bubble bath together.

After the bath, we went back to the room and Malee performed oral on me (for a young girl she has a good technique). After several minutes of her performing oral, I asked if she enjoyed receiving oral, and she said yes. So I proceeded to perform oral on her until she orgasmed (she has a nice, pussy that is a joy to lick). Then she told me it was my turn to cum and she proceeded to perform oral with lots of gentle ball licking and she told me to tell her when I was going to cum so I could finish in her mouth.

After the first round, Malee had ordered some Sushi for the pair of us (before I arrived) and so we had Sushi together and had a good conversation. Malee's English is pretty good and she can hold a conversation.

After we finished our first round we started with round two, which was more oral both ways and sex in various positions. After round two completed, my time was almost over and so I had a quick shower, then we said our good byes.

Malee is very effervescent, loquacious, lovely young lady, who is great company. Highly recommended and is worth visiting before she leaves the UK.
