The Premises:

Battered front door up to non-descript room with nothing but a bed in it. Area is edge of old Bolton red light district near Travelodge. You can park free around corner. But don't for the reasons below.

The Lady:

Pretty tidy looking woman but clearly miserable and deliberately obstructive. Is heavier than her pics but not a lot.

The Story:

Awful.

Arrived outside at agreed time, but she doesn't answer phone and just as I go to give up get a message and eventually make it to her door. She greets me in a rank dressing gown, black leggings with her hair scraped back looking like a ghost. Takes my money...barks sex only despite other services agreed on phone. She then proceeds to absolutely obstruct any sex whatsoever. After 5 minutes of her playing with phone while refusing to open her legs I gave up and left.

Genuinely the worst barely sexual encounter of my life. She is clearly miserable and just out to scam.
