The Premises:

Located very close to Rugby rail station. Premises are a flat with 3 flats, her flat had an upstairs where the bedroom is. The flat was clean and well looked after. Bedroom was also tidy with a nice comfy bed.

The Lady:

In one word absolutely stunning, dark straight hair, enhanced boobs which looked perfect, shaved down below, around 5 foot 8. She is exactly the same girl in the profile. Very very pretty, I asked her age she is 26, and from Sao Paolo in Brazil. Her body was amazing, toned, smooth skin, a few tattoos. Admiring her fit body while doing your business, oh my god, it was heaven.

The Story:

I was a bit apprehensive at first as she doesn't have reviews on adultwork, so was a bit cautious. Arranged via phone call, was given the address. There is 2 hours free parking in the streets nearby. Entered the flat, went to the bedroom area, sorted out the paper work. Was told no kissing allowed, and no licking down below. Asked about anal and was declined as well. Was annoyed as her vivastreet profile mentioned all these things. Anyway, her body was perfect and I thought I'd make the most of it, my booking was for 30 minutes, but I paid extra to bring it up to one hour after I laid my eyes on her.

We went through various positions which she was obliging to, but would stop me if I went too far - oral (protected), missionary, doggy, spooning, her on top, caressing her body, sucking her nipples and playing with her enhanced boobs, squeezing her toned ass, touching her pussy (but no finger inside). Finally coming in doggy style.

The negatives - no kissing, no licking pussy, felt a bit rushed at times, was clock watching at times. The experience would have been so much better and more natural had she allowed the above.

However, I left feeling absolutely on top of the world, I have never been with such a perfect bodied person, it's the kind of really fit girls you see in porn movies, and was a dream come true, and I feel as she was worth it. So much so that I am finished with going to escorts from now onwards, as I feel I have accomplished and reached my pinnacle of having sex with the most attractive and perfect bodied girl in my opinion and left on a high!

Sorry to sound cliché, but I am still beaming since 3 hours ago since I went.
