### The Premises:

Easy to find apartment in Bayswater. Very spacious inside, set out studio style. Good facilities etc.

### The Lady:

Cookie really is a lovely young woman. I'd say she was the correct age, perhaps a little older. She speaks fluent English, and was raised in America for some time in her youth, that has left her with a curious American/European accent. Really very sexy. She looks like her pictures for sure, but she has put on a few pounds. She mentioned this once, and she's doing another photoshoot soon apparently. She seemed apologetic, but to be honest, She looks far better in person, and has some lovely curves. Nice big and natural boobs and everything about her is gorgeous. By far her best feature is her eyes and smile.

### The Story:

Offered me a drink and chatted, she is very friendly. She was wearing some very sexy red lingerie, she said it was new and seemed to want my approval. She looked gorgeous. We stood in front of mirror kissing A LOT. This girl likes to kiss. She slipped out of her lingerie and we held each other tight. She felt amazing. I sat on edge of the bed whilst she went down on me. Excellent OWO technique, and lots of eye contact. Moved onto bed for some more and then into some lovely cowgirl sex. Then from behind laying on her front. Spoons was pretty good too, with a handful of those lovely tits. I asked her if I could finish by jerking off over her face and in her mouth and she agreed, but told me it was extra. This was fine with me and we continued for a while before I pulled off and she leapt to the floor on her knees looking me right in the eye. Came over face and tits and it was amazing.

We chatted for a little longer after and seemed to get along really well. I would certainly see Cookie again. Lovely girl.
