The Lady:

Russian background not Estonian like on the profile, not that it matters, we are all one. Around 5ft 8 I would say and lovely legs! Blond hair and bright red lipstick, very good looking and such take me to bed eyes. Painted nail and toenails, looks after herself and smelt amazing. She is 34 and a good match to her photos on the website. Has a gekko tattoo.

The Story:

Got taken to the room and got undressed, quick rinse in the shower and as I was praying, as I normally do, she came in and was fascinated by the whole ritual I was doing so I offered to pray over and say a Hindu mantra and prayer. She is also religious and spiritual being of Russian background. She even wore my prayer and healing beads to have some good luck bought onto her. Onto the couch I got, she massaged lovely and body to body was amazing, so sexual and blew gently into my ear. I was on cloud 9 guys! Lots of teasing n stroking my knob which felt amazing. I offered to massage her which she declined as I hadn't seen her before which is understandable. As the massage came to an end she was telling me she noticed my painted toe nails and liked them, she offered to wank my dick with her feet which was soooo nice and even baby wiped her feet out of respect, she's a real lady and deserves to be treated like a princess guys! Then she finished with her hands and I exploded everywhere, cleaned up and showered, paid and said my goodbyes. Lads, this girl is worth a visit, you won't regret it. Ana really does know what us guys like and Ana is an absolute legend! God bless her.
