The Lady:

Danni has clear and accurate photos on the Annabellas website and on Twitter and what you see is what you get - a very pretty girl with a beautifully tattooed body. What you don't see is how inviting and fun she is to be with, I felt super relaxed throughout, like we'd known each other for ages.

The Story:

Danni came in the room in nothing but bra, knickers and high heels and looked stunning! She made me feel very relaxed and after getting undressed, we enjoyed some nice kissing on the bed switching to great OWO. Danni gives really amazing head! She suggested we 69 and who am I to argue? Flicking her pierced clit with my tongue was divine but I couldn't resist playing with her cute ass! Danni was very accommodating and let me slip a finger in her ass as we continued to play in 69, so hot! She switched back to giving me more expert head, after getting on her knees on the floor and carefully positioning a mirror to give me a view I won't forget in a hurry!

Then it was on with the condom and she climbed on top of me giving me another unforgettable view as she rode me. After some doggy (where I could really admire her tattoos) and some spooning I could feel I was getting close. Danni grabbed a dildo, laid back and gave me a great show as I watched and wanked until eventually cumming on her.

As she had a shower and I got dressed, we had a really nice chat. Danni is a beautiful girl who really knows how to show a guy a great time, I had a huge smile on my face all day. I can't wait to see her again.
