Usual place in Victoria, nice enough.

The Lady:

Angel - tall, slim, cute

Jules - has definitely put on a bit of weight since I was last with her

The Story:

I've been with Jules and Angel a number of times and it's been superb.

Both girls would kiss in front of me and 3 way kiss and Jules would enthusiastically lick Angel's pussy. However, they were clearly both tired today even to the extent that they yawned.

I only spent about 30 minutes with them even though I'd paid for an hour.

In addition, they no longer DFK. The kisses felt more like a peck on the lips. I had to wank myself off and leave disappointed.

Sad to say, it's the last time I will visit them.
