The Lady:

April - stunning 21 year old girl, mesmeric, beautiful smile, glossy red lips, a gorgeous, cute, slim bottom and perky small boobs. Wore high heels throughout.

Gia - fun and sexy, naughty. Probably around 35. Not my usual type, but intelligent and enthusiastic.

The Story:

I couldn't take my eyes off of April, nor could I remove my hands from her cute bottom. I love slim girls with pert bums.

Whilst April and I stood and kissed, Gia dropped to her knees and enthusiastically sucked my cock.

We moved to the bed and I needed to have April's shaven pussy sitting on my face. Her pussy tasted delicious and she has great eye contact. As I licked her clit, she moaned and twitched which, bearing in mind Gia was sucking my cock and licking my balls, got me close to cumming. We were only 15 minutes in and I tried to stop by telling the girls that I was close but that only seem to spur Gia on and a few moments later a fountain of cum splattered onto my chest as April smiled down on me.
