The Premises:

I met Mixy at the agency London Victoria location, basement flat. It's about a 10 minutes walk from Victoria station, in an upscale residential area. It's my first visit there, so I was actually concerned about how discreet the place is. But in reality, the area is very quiet and the place is very safe and discreet. There was someone else working in the back room, but I didn't cross path with anyone but Mixy throughout the whole meet. The room was clean and comfortable. Overall, the place is fit for purpose.

The Lady:

I knocked on the door and Mixy herself opened it for me. Once I saw her, I knew I would be in for a good treat. Wow she looked stunning!! She was wearing a white lingerie that showed her great body, and welcomed me with a nice smile calling my name. Mixy is the perfect mix of south east asia and latin america. She has the cute face, pretty features and long luscious hair of asians, along with the curves and big boobs of latinass, coupled with a perfect english. A dream girl! Her photos on the site and on twitter seems to be accurate and up to date, although the face is blurred for privacy. All other site information is also accurate.

The Story:

Once in the room, Mixy started kissing and cuddling me continuously. The kissing was so sensual, I became hard immediately and probably stayed so the entire duration of the meet! She helped me undress while touching my body, which got me further hard. We continued on the bed in several positions with nonstop snogging. She allowed me to kiss all parts of her body and caressing her long beautiful hair. Her boobs are particularly soft, and while kissing them she asked me to suck her nipples, which seems she enjoyed. She then gave me a very erotic oral, I was about to explode. We switched to me on top, where I couldn't last any longer.

We still had plenty of time, so she offered a massage. She is very good at it and I really enjoyed it. We also started chatting about different things, including travel, all while touching, snogging, cuddling and playing with her lovely hair. I enjoyed my conversation with her, she is quite friendly, lovely and sweet. She gave me a feeling I am with a true gf.

Mixy is not a clock watcher, she was generous with her time, but finally it was a reality check that I had to leave this heavenly encounter. I dressed, hugged and kissed one last time with a promise to

be back.

Overall, I truly enjoyed my time with Mixy!! It was a quite memorable experience! I would highly recommend this divine lady. Would I visit her again? Hell Yes!!
