### The Premises:

The venue was a smart looking building on the Bayswater Road, a 10 minute walk from Marble Arch Tube. The flat itself had a few rooms for other workers.

### The Lady:

Deniz was as beautiful as her photo and was very welcoming, even offering me a bottle of water on arrival as it was a very warm day. I commented on her fabulous video extract on Admiral which, unlike other ones on the site, lasted for a good minute and a half or so. This gives punters a really good idea of what the person that you've booked really looks like.

### The Story:

I had a great time with Deniz. However, through no fault of her own, the room that she works from is so small, hot and stuffy (even with the window open) that I couldn't stay for the whole hour as it was that uncomfortable. I therefore hope the agency give her a more spacious room to work from one day. In any event, highly recommended.
