The Premises:

Well established parlour tucked away down a short gravel driveway. Plenty of parking nearby. Old fashioned decor but clean and tidy

The Lady:

A bit fuller in the figure than the photos suggest, dress size should be more like 12 - 14, early twenties, pleasant looking girl with long blonde hair

The Story:

Booked for 11:30am originally but was told on arrival that Porsha wouldn't now be there until 1pm so decided to pop back. Porsha came in the room with a tight black dress and red underwear and went to the cupboard to find some shoes! Didn't really want to kiss but got her ample boobs out. I went down on her which she enjoyed then she got out the worlds smallest condom, it was ridiculous I couldn't roll it down. Some fairly mechanical oral followed then I got on top and made the most of the view. She was quick to grab the condom when we finished, not sure why as the damn thing was on so tight. It was an ok experience, not the best but not the worst either
