The Story:

I saw that Angel was in Wellingborough on the Thursday having booked for her in Northampton the day after so cancelled that and saved some travel time. She came in the room with tiny shorts, a bra top and a jacket - very European. We had a little kiss and got her undressed and couldn't resist eating her out. She repaid the favour and passed me the condom to unwrap. She placed herself on the bed doggie style and I had the pleasure of her fit tattooed arse and a great view in the mirror. When she looked back at me over her shoulder I couldn't hold on any longer.

One point is that her English is very limited so don't expect a meaningful conversation. Overall a good experience with a fit young lady
