### The Premises:

The venue was an apartment in the Central Hub shopping district of Milton Keynes, very easy to find and park and discreet to enter. Inside it was neat and tidy and the bathroom was clean.

### The Lady:

Riley is English, 30y, 5' 6", size 8/10, 34C natural, shoulder length dark blonde hair, quite slim and firm body, appealing bum, mainly shaved pubic hair where she is starting to grow a landing strip. She has no piercings and has some quite small tattoos.

Riley's black lingerie was more comprehensive than the normal AE 'uniform' of matching bra and knickers. Her bra comprised straps across her bosom, part of which peeped out including her nipples. Her black thong just covered her genitals at the front and at the back was just a string which ran down the cleft between her lovely buttocks, which were effectively bare. Her black stockings were topped with lace and held up by a black suspender belt where, in a touch of class, the straps went over her thong.

Outside the purely physical activities, Riley is chatty and pleasant and easy and interesting to talk to.

### The Story:

This was a two hour session during which we enacted a role play.

The first phase was a naughty handyman and a nursing sister who took a dim view of his behaviour. Riley remained in her costume and undressed me and laid me on my back and pinched my nipples. I went over her knee for a hand spanking and she used my ruler and a cane in the flat while I confessed my misdeeds. All of the punishment was very light.

In the second phase, for exceeding her authority with the handyman, Riley agreed to give a good time to an NHS hospital inspector, to make him give the hospital a good report in his imminent

hospital inspection. Naturally, Riley auditioned for a hospital consultant first, to make sure her performance for the inspector would be up to scratch.

Riley first gave me a thorough neck and back massage. After facesitting we moved to conventional 69 when I licked her and rimmed her a little. Her genitals and bum were clean and fresh. She then performed fellatio. Throughout the fellatio and 69 as requested she went gently without bringing me to orgasm.

We finished with various positions: side by side, cowgirl, reverse cowgirl and then cowgirl again. When I climaxed, Riley commented on the quantity of my spunk.

I am in my late-sixties but I was never aware of any incongruity and Riley was perfectly happy to kiss and cuddle in a convincing GFE.

To summarise, I enjoyed my session with Riley enormously. Riley is a lovely, skilled young woman and well worth a visit.
