### The Premises:

I've been a regular at Annabelles Escorts on the other side of Bletchley but had never been to Milton Keynes Escorts. The directions were easy to follow and parking was ample, free public car park which is conveniently located close to the entrance of the parlour. I was concerned initially as it was a rather dirty looking car park with no cameras, but I was overreacting and plenty of people come and go from their cars so nothing to worry about. The entrance is discreet.

The place itself was well presented greeted by the maid and shown upstairs to a comfortable and spacious room. Fresh towels on offer and toilet across the hall is clean and well kept. Usually my biggest complaint about agencies is the noise of other punters walking up and down, but I hardly heard a pin drop which suited me fine.

### The Lady:

Courtney was absolutely stunning. Gorgeous English girl about 5ft 3, with curves in all the right places and a fantastic body. She has the most kissable lips I have ever encountered and her bum is a personal highlight. She has sexy tattoos and piercings which help complete her look of absolute gorgeous filth. She more than matches and in my opinion exceeds the photos on her profile.

### The Story:

I've been a consistent user of discreet services as far back as my early 20s, now at 35 I have to say this was without doubt one of the best punts of my entire life. Courtney is absolutely amazing. She is what every girl in the industry should aspire to.

I was greeted by her in a gorgeous outfit which showed off her figure and tattoos perfectly. Handled the paperwork and straight into dfk, she is a very good kisser who seemed to genuinely enjoy it and this is a rare find. Her lips are amazing but more on that later!

After kissing we moved onto the bed and I got the chance to explore her body with my tongue. Her breasts are perky and a good size. Her legs are sultry and smooth, and then I got the pleasure of performing oral on her, she tasted fresh and fantastic.

Now it was my turn, those lips of hers are the definition of blow job lips. So well formed and have a

great seal on my cock. She gave me an amazing owo, with amazing deep throat and some fantastic teasing. It would put most pornstars to shame.

Then onto the main event, condom on and into cowgirl, and my god her ass is just amazing when it's riding you. She is very enthusiastic and made all the right sounds. Switched to doggy which was even better as with the large mirror I got the pleasure of looking into her eyes as I fucked her. Massive orgasm to finish round 1.

Then had a great chat with Courtney, everything from petrol prices, to what she studied at school, and even cats. Conversation flowed easily and never felt rushed.

Quick bit of oral on her and kissing again before I got another fantastic blow job and then round 2 if the same amazing sex.

We literally fucked like rabbits.

I will 100% be going back to see Courtney again.
