### The Premises:

Lovely clean establishment always well looked after and always smells so fresh. Parking is free and generally always get a space to park. Showers are push button to save water.

### The Lady:

An absolute beaut of a specimen. She has long blonde hair, lovely set of pins on her and tits that are natural and large, she's got a real cute pretty face too. Smelt fucking lovely and had nails painted. Not to mention a lovely shaved pussy which is a real turn on, proper looks after herself, you won't be disappointed lads.

### The Story:

As per usual I was doing my mantra's and praying then the beautiful Faye walks in, greets me with a lovely kiss and a hug. I asked if she wanted to praying over before the session starts, she was a bit skeptical to start with but when I explained what will happen she succumbed to my magic spell :) then onto the bed front down and she began massaging my back, arse and legs. Had a lovely chat with her, so easy and down to earth! I talk for England but we got on like a house on fire, we connected straight away. As she continued to massage me, I forgot to take to my boxers off! so she assisted with this and then she got to work, real work :) wow! Her tease is amazing she really appreciates a man's dick you can just tell she loves her job. I offered to massage her which she accepted and then I gave her a nice back rub, legs and gave her feet a rub too which she said she really liked she also liked me kissing them too and rubbing them into my facial stubble. She flipped over onto her front and I'm massaging her tits and sucking them and stroking her pussy which she really really fucking enjoyed so much so she grabbed my dick and started stroking and gliding her hands over it she asked for some oil on her hand to enhance the sensation for me which was lovely, I was absolutely fucking rock hard and she did comment on this and thought I needed more attention so back on the bed I went and she started giving me a wank with her feet which felt so nice and by now I was ready to be finished off so she put her legs and feet over my chest and she began wanking my dick and told me she loves it when a bloke explodes so I burst all over (sorry for that Faye) but she was in heaven at this and then after that she cleaned me up and gently stroked me whilst I got over the explosion. Time for a shower and out the door, paid up and I was on my way. Lads, this girl is a real diamond, treat her well and she'll see you good and I mean REAL good

haha ;) thank you so much Faye for the whole experience, 10/10 a real beaut! God bless you Faye
