The Premises:

Zoe worked from a spacious and clean flat in a large development close to Royal Oak tube. It seemed to be situated in a fairly well off area as there was a large Waitrose supermarket across the road.

The Lady:

Zoe was a very beautiful girl and looked even better in the flesh than her photos and everything described about her on Admiral's website was accurate.

The Story:

I had a wonderful and satisfying experience with Zoe. The booking included a body massage (she used her boobs), followed by blow job and protected sex. Despite this 'no frills' package, I came away very satisfied and would definitely recommended her other punters.
