The Story:

Last saw Ella in 2018. She has not changed a great deal. Still has an amazing sense of humour especially as her first language is not English, Started with lots of kissing then I kissed down her body to the Holy Grail which was as sweet as I remembered. As far as I could tell I was able to make her cum by the way she gripped my shoulders and moaned. She then took my cock into her mouth which was fantastic but I had to stop her before I came. We then had a chat as we lay in each others arms it was very relaxing. Time was getting on so I started down her body right to her feet she seemed to enjoy my sucking her toes! Back up to the sweet pussy and I was able to make her come again. Ella then took me in her mouth again which was wonderful but she kept going until I exploded into her mouth, WOW! A great punt mul?umesc Ella
