The Premises:

A small room in a private apartment block about a 3 minute walk from London Bridge station. It is the same location as Pretty 99999

The Lady:

A slim Thai girl maybe mid 30s with A cup breasts. She was friendly throughout my visit.

The Story:

This was a massage/relief service. The massage was one of the best I've ever had. It was performed on a bed while there was some lovely relaxing music playing. There were no CC swipes or reach unders. It was only when I turned over the relief commenced. Nadia took off her bra and thong and straddled across me. I sucked on her dark nipples and she slowly stroked me to a very enjoyable climax.
