### The Premises:

First a Class is a very old establishment and is dated, but the low prices means it's appealing. They have stopped their website, which is a pity really.

### The Lady:

Jo Jo is a petite blonde girl in her mid 20's, nice firm natural tits, on such a petite body, no complaint with her. Wore a tight black miniskirt and black hold ups. Perfect.

### The Story:

I chose JoJo and followed her into the room, extremely friendly girl and no awkward moments. Once in the room she let me tell her how I wanted the session to go. She duly obliged and started with kissing while she started to undress and let me undress in my own time. I felt her cupping my balls as we kept kissing. I wanted to know how many had she been with today (I love to know what guys have been doing to her) it was early but had two guys already. After a bit of role play, where I asked her to play with herself while I watched. I reached for the Mac and told her to suck my cock. She sucked me very erotically. When I was ready, I told her to lay back and told her to say give me your big cock you dirty bastard. I pulled her to the edge of the bed and rammed my hard cock into her petite body. JoJo is very good in the room and goes at your pace. I will be back at some point. First Class has kept its prices low, and that means we can go more, rather than once in a while. Thank you Joanne, you run a fantastic place, and have lots of regulars.
