The Premises:

All the changes that were in place at the Old Coach House owing to Covid 19 have been abolished.

The venue has been reported on many times. Apart from the dingy middle room, the only criticism I have is the lack of temperature control for the showers. Today the shower in the 'big room' was too hot.

The Lady:

She is pretty much as per her photos, except that her hair in the photos is darker than it was today.

The Story:

I made the booking about a week ago. It was with some foreboding that I made the visit, as the day before I had read an uncomplimentary review of Demi on UKP by someone calling himself Mrpunt101.

I should not have worried, as I disagree with all of his criticisms. There were a lot of reach unders and there was B2B. Demi gave me a breast relief happy ending. After which there was some time to spare, so she suggested I turn onto my front again so she could massage my shoulders - a nice touch to end the session.

I can thoroughly recommend a visit to see Demi.
