The Premises:

Nice area with easy parking, Entrance slightly obvious as a terraced house. Room and facilities ok but very poor lighting

The Lady:

Very pretty girl with her pictures being fairly accurate, I actually thought she was better looking than the pictures indicated.

The Story:

Welcoming smile even though she was tired and only just woken up. Sadly she did not allow french kissing, owo or cim and the room lights were not very good. Superb anal in different positions and I could actually feel her going from tight to gaping as I pounded her. Particularly pleasurable was giving her deepthroat whilst fingering her bum. Moved on to traditional intercourse with plenty of variety of positions. She did not complete the full hour which was disappointing but overall a very nice time and I would probably visit her again.
