Nice clean flat in a pleasant location with very easy on street parking.

The Lady:

Good looking brunette with a nice figure and a warm welcome. There are no photos on her profile but the other details seemed accurate.

The Story:

Welcomed me into the flat in a nice dress and whilst seeming quite shy at first soon started to ooze confidence. Offered a massage to warm up which I duly accepted and she was so gentle I thought she would not live up to her profile (Unique filthy porn star experience). I get fed up with girls who list services they simply do not provide as they are a waste of my time and money. Well I was completely wrong with her changing smoothly from gentle girlfriend to a compliant and exciting porn star willing to provide all the services on her "enjoys" list. Overall a very nice time and I will be returning to enjoy her company again.
