### The Premises:

My first time at Bamboo Massage situated opposite Sutton Railway Station. Made an appointment with a lovely young Chinese sounding lady. When I got in saw that the place was a little shabby no fine decorations and with several treatment rooms. Each room however has a proper massage table and shower all good signs.

### The Lady:

In her 20s speaks acceptable English, very shapely and pretty though wore a mask whole time which I found sexy too

### The Story:

I was after a good massage and extras. There was no mention of extras as I paid the hour massage fee of £50 to a pretty Chinese girl Lisa wearing a mask and summery dress. I was left to change so stripped off and tried to cover myself with only a hand towel available. Lisa came back in and with a flourish took the towel away started on me as I was lying face down. She gave good attention to my buttocks and occasionally touched my balls and cleft keeping me interested so I knew she'd be pumping my cock to finish later. She also stood by my dangling arm leaning into it with legs. She was comfortable pushing up against me. This made for a lovely hour. Lisa was a good masseur not quiet to the Thai standards in Bliss Health where you are taken to breaking point but good enough and with the touches to my balls and dick it was super. Finally I couldn't take no more and got up on my elbows so she could rake her nails gently over my balls and shaft. We then agreed on £20 for a HR and I flipped over on my back and Lisa pumped my dick hard with a thumb and forefinger ring. If I hadn't have cum yesterday it would have been even better. She caught my spunk and continued to hard wank me after as she said I had a beautiful cock. A hand job just how I like it. A very accomplished very sweet woman.
