The Story:

It had been a couple of years since I had last seen Morgan and wanted to see her again. So with a free Saturday for a change I booked to see her in the morning. I arrived a little early & was greeted by Riley who showed me to the room & while Morgan finished getting ready I had a shower. Morgan entered the room looking stunning in blue lingerie & commented on me being ready as I was covered by a towel. She came over to release the towel & let it drop to the floor then gently started stroking me. There were soft kisses mixed with fk & dfk while still stroking me, while we got settled on the bed Morgan remembered that she had seen me before & we had a little chat before she gave me owo. She started slowly, just taking the head then a bit more and a bit more, until she had me all in her mouth. She carried on until I asked for a 69 which she gladly did, while in this position she started to play with my arse then slowly slid one finger in. It wasn't long before I was asked if I wanted to be rimmed, I was never going to say no. First on my back & legs lifted then with me on all fours, Morgan took her time & rimmed & fingered me. I was in heaven, but it was getting to much for me. So with more oral I finished on her body. I wanted to cim but Morhan wasn't sure about snowballing with me, so I just licked my cum off her tits. After a massage and another chat Morgan gave me more owo but this time after a few minutes I asked to go behind her, so on with the condom, which was put on with her mouth. We changed positions a few times and Morgan made all the right noises but with time against me I couldn't pop for a second time. Before leaving I had a quick chat with Riley & had I known they would be working together I would have booked them both for the hour. Riley looked beautiful in a pink pvc skirt, I now want a threesome with Morgan & Riley, hopefully it'll happen some time soon.
