### The Story:

I had already seen Morgan in the morning & had been feeling greedy when I made the booking a few days before. I had to wait nearly an hour between bookings, which I didn't mind as this gave me time to reload. I was shown to the room by the maid as I was early & Selina was with another punter. It wasn't long before Selina came into the room & with a smile that would light up any room gave me a gentle kiss on the lips & introduced herself. We then got the paperwork out of the way & moved onto the bed. This time I wanted the gfe with plenty of touching, cuddling, kisses & nothing in the way of anal play. This is what I got, it made a nice change for me & maybe I should do this a bit more often. I'd asked Selina to leave her lingerie on at the start as I wanted to take my time before removing it. She put a condom on me & went down on me, she took her time & kept eye contact which I've always liked. Selina then took her bra off to reveal her small tits, I had gone from one extream to another having seen the busty Morgan earlier to the tiny tits of Selina. I started to stroke then lick & suck on them while I was being stroked. I laid her down on her back & lifted her legs onto my shoulders & slowley entered her. We changed positions a few times before qith Selina on all fours I finished on her back, again I licked some of it off before cleaning her up. We laid down & had a cuddle which was nice, that led to me having a massage with lots of little touches between my legs to get me in the mood again. It didn't take long before Selina is on top of me & i'm gently licking her in a 69. She moved around & startes riding me, this was good but I wanted to be on top so we switched to missionary & with me going harder & harder time was agaisnt me & I couldn't manage that second pop, but I wouldn't change a thing. I had a great hour with Selina & hopefully will do again sometime soon
