The Premises:

Regular Preston punters may be familiar with a block of flats near a supermarket on New Hall Lane. Victoria's place was a short walk from there. I was asked to take my shoes off on the way in. I only used the bathroom and the bedroom, both of which were clean and tidy.

Note that Victoria tours around the country - as I write this she is in Oxfordshire.

The Lady:

Exceptional. Dressed in a Nurse's uniform as per some of her A/W photos, with bare legs – stockings would have suited me better but never mind. It's definitely her in the pictures. Medium height, great body and legs, enhanced D cup hooters, arse to die for, cute face, shaved down below and very tidy looking minge. Age is given as 23. That's probably out by a few years but I would definitely say she is under 30. Functional rather than fluent English IMO. 10/10.

The Story:

Also exceptional. I more or less stuck to my usual routine of FK to start, OWO, RO, then sex in several positions. The BJ was fantastic: lots of eye contact and teasing. But doggy was even better, watching myself hanging out of that fantastic body in the mirror. Finished with HR from Victoria and I took over for the last few strokes. All of this had to be done pretty carefully given that I was suffering from a bad back. This brief factual run down doesn't do justice to how sexy I found her, or how turned on I was. She gave me a back massage after the main event which used up the remainder of the allotted time or maybe even ran over a few minutes. It was relaxing and erotic, but didn't cure my back.

The only minor negative I can think of is that the FK was rather light. A full on snogfest would have made this session perfect. But I will see this girl again ASAP.
