The Lady:

Anna is a beautiful, slim Thai lady with enhanced busom (very nice to the touch). The fotos on the Olina website are completely accurate - she is that pretty!

Betty is a bit more curvaceous, also with enhanced busom (very nice to the touch, too). The fotos on the Olina website are accurate but her topsize is larger than zou would think.

The Story:

Absolutely incredible! Yes, a session like this is expensive, but this was easily the very best duo experience of my life. It will produce smiles for the rest of my life!

Now, the details: When I arrived, Anna greeted me in black underwear with a wicked smile as it was her idea to ask Betty to join us. Betty was lovely to look at and we introduced each other. Some living-room DFK followed - a lovely start!

Both are charming ladies, but in a duo setting they are pure dynamite. After I had a quick shower, we moved to the bedroom. I sat on the edge of the bed and Anna and Betty started licking and sucking my best friend. Mind you, not just the perfunctory pseudo-duo where one lady watches while the other goes down on you. No! They did it at the same time and their tongues and lips were clashing and mingling too... better than in any movie!

We then moved onto the bed properly and a wild entanglement of bodies ensued. First, one lady was sucking me and the other DFK-ing or I licking their generous breasts, then they switched. After that I went down on Betty for some 69 - she is really good at that - with Anna rimming me: what a divine combination!

I got so horny, I had to have sex proper. First I slid into Anna with Betty kissing and caressing me all over. Then we put on a new condom and I had Betty while Anna went to the "support role". But the best was yet to come: Anna got a strap-on and fucked me in the ass while I fucked Betty: a proper sex train - awesome! When I came, it was an explosion of epic proportions.

As there was about a quarter of an hour left, I got a very nice head massage from Anna and foot

massage from Betty. Great relaxation at the end of a session never-to-forget.

Final note: I have not left a review in a long time and this is under a new alias. I shall leave one for Anna, who I have seen many times over the past couple of years. She is my absolute superstar, but the duo session with Betty was something else. If you have had disappointing duos in the past, try this to find out how it's really meant to be. If you have not had duos yet, don't, as otherwise you will be spoiled for the rest of your life! :-)
