The Premises:

HoD basement flat, 10 minutes walk from Victoria station. Clean and tidy as usual.

The Lady:

No need for much of a description, as the photos on the HoD website are accurate. Both ladies have all the right curves in all the right places.

The Story:

I've seen both of these ladies on their own before, so when I saw they were working on the same day I couldn't resist booking them both together. This turned out to be the best decision I've made this week.

It was all a bit of a blur, but there was lots of OWO cock sucking from both ladies, lots of kissing, nipple sucking, pussy licking and shagging. The orgasm-meter registered at least 3 for each of the ladies, and one for me. Mine happened at the end of all the fun, with Ella sitting on my face as Sarah sucked the spunk out of my cock.

My instinct that they would be great together turned out to be correct, as this was an outstanding threesome.
