The Premises:

The premises was a 10 minute walk from Marble Arch tube and was in fact the same building where I had previously seen an escort from the same agency (Deniz). Fortunately, Perla worked from a slightly larger room which helped made the meet that more enjoyable and comfortable.

The Lady:

Perla's appearance was very accurate to her profile description and age, which also included a more realistic selfie alongside the more 'glossy' photos that these agencies tend to use. This gave me a pretty good idea as to what Perla looked really like, which I'm pleased to say didn't disappoint as she looked quite stunning.

The Story:

On my arrival, Perla seemed to be a little pre-occupied with something and kept checking her phone, but after a few minutes and the paperwork being sorted, she seemed more relaxed and welcoming, offering me a quick drink and the chance to take a shower.

After I had showered, Perla gave a very warm and sensuous Gfe (I had requested this when booking) followed by some mutual oral and the shooting of my load over her small, skinny tits; for some reason, the act of doing this was a such big turn on for me, I had nothing 'left in the tank' for another go, but I came away very satisfied nonetheless.
