### The Premises:

Brandi worked from a smart looking block of flats close to Marylebone Station, which I recalled visiting previously for my meet with Bia from the same agency. Brandi worked from a similarly good sized room and the building in general looked quite clean and tidy. This was also a convenient location for a shorter meet after a particularly stressful working day before heading home on the tube at Baker Street.

### The Lady:

Although Brandi didn't look that much like her online photo (I suspect the agency photo was 'touched up' quite a bit) she was still a very attractive girl and was very friendly and welcoming on my arrival. Her advertised age did seem accurate though.

### The Story:

As this was only a half hour booking, this was very much a 'blow and go' type meet, but I have no complaints about the service provided and Brandi certainly proved to be a wonderful stress reliever. I would happily return one day, should a similar need arise!
