The Story:

The worst experience I have had with any woman, let alone a professional. Totally disinterested and completely remote. The one hour appointment lasted about 20 mins after which I stopped trying, to ask her what the trouble was. She took this as a cue to leave the room, not to return. My advice if you don't want to waste your money and end up feeling miserable and ripped off is to avoid at all costs. Would have had more fun in a mortuary. (Joke!) A disgrace to an otherwise fine establishment.
