The Story:

I turned up just before time but had to wait for Chanel just a few minutes as she explained she wanted to freshen up. She looks just like her photos and was wearing one of the outfits from them. She has a lovely outgoing personality. She asked if I kiss. I said yes and she proceeded to snog my face off. She then dispensed with some of her outfit, (looking good) and led me in front of the mirror got down on her knees and said she wanted to say hello properly. All good for me. I wasn't very patient though as I love to get my head in between a lady's thighs so we moved to the bed and 69. Um. delicious. I love lips and sweetness and she didn't disappoint. After a while she asked if she could lay back so that was fine with me and I just licked her pussy to my hearts content and heard all the right noises from Chanel. We then applied the cover. She commented that she definitely didn't need any lube. We had sex in missionary and doggy (lovely bum) before returning to 69 for the grand finally with me unloading in Chanel's gorgeous mouth. Chanel was very accommodating and conversational when her mouth was not otherwise engaged. I enjoyed myself and challenge anyone that has similar tastes to myself not to too. Chanel doesn't visit MK very often so I had to take the evening off my job to see her. I'm glad I did. Thanks Chanel it was a pleasure.
