The Story:

Short notice booking, excellent communications. Went in, and was welcomed by Lorena who was already completely naked with a big smile on her face.

After a quick shower I sat on the bed in my boxers, Lorena put some Brazilian music on and gave me a

Hot lap dance where she really worked her ass. Pumping her ass up and down is something Lorena clearly loves to do. I then went down on her for a while after which Lorena gave me an amazing blowjob and spent a long time licking my balls.

Lorena sat on my face and I enjoyed being smothered by that ass before more sensual kissing and cuddling. I stood up and Lorena put the condom on me and then got in doggy position. With one foot on the bed I fed my rock hard cock slowly into her tight pussy as she squealed with joy. I held it buried deep in her at first then slowly withdrew almost to the tip before quickly sliding back in. We did this for a while and Inevitably came. We kissed and cuddled under the covers, Lorena is so passionate and affectionate, after a while she started pressing her ass against me and writing around which got me hard again in no time. Condom on and this time we did spoons, her sitting on me lapdance style, standing doggy against the wall, doggy on the bed, and then back to spoons as I reached round and rubbed her clit which she really got into, I came again and whilst I was pumping my second load into her she made me carry on rubbing her until she came herself.

We cuddled and chatted and promised to see each other soon.

Excellent experience.
